AUTO SPEED INCREASED

And the New Ordinance Is to Be Rigidly Enforced By Authorities.

AS TO ROLLER SKATING

A Happy Compromise Was Made, Intended to Please All Concerned.

The City Council met Friday night in regular session, all present.

The usual reports were filed, the police department showing a prosperous condition of affairs under the new "cash system" now prevailing. The cash collections amounted to \$800.43. As the police pay roll is \$735 a month, the rate maintained would make the department self-sustaining. The average collections last year were a little over \$400 monthly.

Mayor Meacham was authorized to send a committee to Frankfort May 9 to protest against the increase of 10 per cent in the tax assessment. The speed limit of automobiles was increased from 6 to 12 miles and the police will rigidly enforce the new ordinance.

The accounts paid were as follows: Budget for March \$249.30; C. H. Layne & Co. for fire horse \$200, workhouse bills \$159, Meacham Contracting Co. (North Main street pavement) \$210.50.

An appropriation of \$100 was authorized to head a subscription to improve the old cemetery on 13th street. Various matters looking to street and cemetery work were referred to the proper committees. The Workhouse Committee was given further time to get up plans for the proposed alterations in the city building.

A petition signed by 51 persons, asking that roller skating on side-

walks be prohibited, was presented, together with a protest signed by 135 children and others. After discussion, the Council made an order that the practice be prohibited upon pavements where the owners object, and it was suggested that a little notice "No Skating" at the edge of the pavement would be sufficient. The children in their petition agreed to submit to this kind of regulation and not to skate where they are not wanted.

AFTER GERMS.

Mustn't Bother Purchasers of Postage Stamps.

The purchaser of postage stamps will notice that they are no longer handed to him face up as has been done in the past. The clerk passes them through the window with their faces next the window sill.

The reason for this change in affairs has come through the order of Uncle Sam, who sent word in his last communication to the postoffice clerks that hereafter stamps must be handed to customers in that manner. Microbes might lurk upon the sill of the clerk's window, he says, and it is unfair to allow the side of the stamp which will come in contact with the purchaser's mouth, to first gather a quantity of these death-dealing germs.

Doan's Kidney Pills relieve back-ache.

Cure every kidney ill. Many people in this locality recommend Doan's Kidney Pills.

Here's one case:

Mrs. Frank Dennis, of Earlington, Ky., says: "Doan's Kidney Pills cured me after other remedies had failed and consequently I am pleased to recommend them. For three years my kidneys were disordered. I was unable to sleep well on account of the dull ache in my back and when I awoke in the morning I was very lame. I tired easily, felt languid and nervous and was troubled by headaches and dizzy spells. The kidney secretions contained sediment, passed too frequently and whenever I caught cold my trouble was aggravated. I also suffered from pains in the small of my back and if I stooped or lifted sharp twinges passed through my loins. Learning of Doan's Kidney Pills, I procured a box and received prompt relief from their use. It was not long before I was rid of the trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

ARBOR DAY CELEBRATION.

Procession Headed By Band Will Form at Court House.

APPROPRIATE ADDRESS

Program For the Exercises To Be Held at the High School Grounds.

Preparations are well under way for the Arbor Day exercises at the High School lot on Walnut street, at 10:30 a. m. Besides the tree planting there will be a program carried out at a stand erected on the lot.

All of the schools in the county are invited and the public generally is included in the invitation.

The city schools will assemble at the court house at 10 a. m., and a parade will be formed to march to the grounds. School trustees, city officials, county officers, and any organizations that wish to do so, will make up the procession, headed by Lebkuecher's band. Arriving at the grounds, 100 trees will be set out, each district school having the privilege to plant and name one tree. Lindens and several varieties of maples have been ordered. Supt. Barksdale Hamlett will preside and the following songs will be given by the schools:

America.
Old Kentucky Home.
Grand Old Trees.
Battle Hymn of the Republic.
There are Many Flags.
Old Glory.

After Prof. Hamlett's address of welcome Mayor Meacham will speak as a representative of the city and Hon. John C. Duffy on behalf of the county. Mr. Alvin Clark will speak for the High School Alumni.

These addresses will be followed by others on behalf of the county schools and by visitors who may be in attendance.
